5. The Pupillage Committee has responsibility to draft the Curriculum and Assessment Strategy
6. The Pupillage Committee will review the Curriculum and Assessment Strategy annually and make any amendments that are necessary
7. The Pupillage Committee will appoint pupil supervisors and will assess the performance of each pupil supervisor in compliance with Chambers Curriculum and Assessment Strategy annually. Supervisors will be appointed taking into account the following:
 - a. Disciplinary record and any ongoing disciplinary proceedings
 - b. Professional experience
 - c. Nature of practice and whether it offers appropriate learning opportunities

- d. The time the individual can devote to a pupil
 - e. Their aptitude to create an appropriate learning environment
 - f. Their competence to provide effective feedback
8. The Pupillage Committee will have responsibility for providing annual in-house training to all pupil supervisors
9. The Pupillage Committee will appoint a records officer who has responsibility to ensure that for a period of 5 years the following records are kept:
- Training records for pupils.
 - Training outcomes for pupils.
 - Training records for pupil supervisors.
 - Training records for recruitment panel members.
 - Recruitment records (advertisements, application process, selection criteria, assessor records).

12. The Pupillage Committee will review the assessment records from Chambers in-house advocacy training programme annually to ensure the quality of the training and assessment being provided is in accordance with the Curriculum and Assessment Strategy

Section 2 – Recruitment of pupils

13. The selection process for pupils is set out below. The selection of pupils is made by Chambers' Pupillage Committee and not by any individual member of Chambers

14. Pupils are selected strictly on ability with no discrimination on grounds of ethnicity, sex, disability, age or sexual orientation or religion or belief or gender reassignment, pregnancy and maternity, marriage and civil partnership

15. All applications for pupillage in Chambers are received through the online pupillage application system 'Pupillage Gateway'

16. Each application is anonymised administratively on receipt and then assessed independently by 2 different members of the Pupillage Committee who has received appropriate fair recruitment and selection training in addition to receiving instruction on applying Chambers selection criteria. A copy of the Fair Recruitment guide can be accessed here: <https://www.barcouncil.org.uk/resource/fair-recruitment-guide.html>

17. Chambers has a mandatory requirement that the Applicant has completed an undergraduate degree or equivalent. The subject of the undergraduate degree or the institution at which it was completed are not relevant and therefore not considered as part of the application process
18. Thereafter the assessment criteria for the application form are as follows: graded qualifications; evidence of legal experience; advocacy experience; other experience, communication and presentation
19. Answers to Chambers set questions are assessed on the following criteria: The extent of insight shown into the realities of life at the Criminal Bar; evidence of the key skills required to be a barrister and clarity of communication; knowledge of Chambers and insight into our areas of practice; answering questions in a clear, logical, structured way
20. Assessors also have discretion to award up to 2 bonus points for any matter of credit not directly represented in the criteria set out above. These marks must be properly justified by the assessor
21. A portion of the forms received will then be marked by a third member of the Pupillage Committee in order to moderate marks and ensure consistency in marking
22. At the conclusion of the process the Head and the Secretary of the Pupillage Committee will identify the Applicants achieving sufficient marks; these Applicants will be offered an interview. This is generally around 25 people but there is flexibility in this number
23. Interviews are conducted by a panel comprised of no less than 3 and no more than five members of the Pupillage Committee and/or other members of Chambers who have received the appropriate fair recruitment and selection training. The interviewing panel will, wherever possible, represent a cross-section of Chambers

24. The interview will ordinarily consist of a debate style or advocacy exercise with limited preparation time and further questions relating to the content of the pupillage application form. Chambers will make all required reasonable adjustments to this process should any candidate so require; including interview using video conferencing facilities if travel to Chambers is a particular difficulty for whatever reason. The Candidate should raise any such adjustments with the secretary to the Pupillage Committee once invited to interview
25. Each Panellist awards each Applicant a points-score taking particular account of the following criteria: the extent to which content demonstrates analysis of subject matter; structure; dealing with interventions; use of language; confidence
26. Following the first round of interviews the candidates who score sufficiently to progress will be invited to return for a further interview. The marking scheme and criteria remain as per that set out above
27. Following this process the successful applicants will be informed in writing and given 7 days to indicate acceptance. If acceptance is not indicated within that time the offer for pupillage will be revoked without further communication
28. Scores are recorded and will be retained for a period of 5 years following the end of the decision-making process
29. All applications received through the Pupillage Gateway will be monitored in respect of Equality and Diversity headings and the anonymised data made available by Chambers Data Diversity Officer to Chambers Equality and Diversity Committee for assessment and monitoring analysis
30. Any applicant who is unsuccessful at the interview stage of this process is welcome to request feedback on their application; the feedback will be provided within the framework of our marking criteria. The Pupillage Committee will aim to provide this within 14 days of request subject to demand

Section 3 – Equality and Diversity

31. Chambers has an equality and diversity policy which is in force and by which every Member of Chambers, all pupils and probationary tenants and all staff must comply. The sanctions for failure to do so are set out within the policy. This document should be read in conjunction with that policy
32. All advertisements for pupillage in Chambers must make clear that we operate an equality and diversity policy
33. An electronic copy of this policy will be made available to all pupils during their induction to Chambers
34. Chambers has a designated Equality and Diversity Committee and Diversity Data Officer
35. Chambers will monitor the gender and ethnicity of Applicants for pupillage but only following completion of the annual recruitment process. Chambers will not discriminate on the grounds of ethnicity, sex, disability, age, sexual orientation, religion/ belief or gender reassignment, pregnancy and maternity, marriage and civil partnership. Chambers will monitor the same for all individuals who are interviewed and awarded pupillage and probationary tenancy
36. All materials related to advertisement for pupillage, application forms, marking forms and interview assessments will be retained for a minimum of 5 years
37. The recruitment process and assessment criteria will be reviewed by the Pupillage Committee on an annual basis in order to ensure the entire process is achieving the aim of supporting accessibility to the profession

38. There is no separate selection process or criteria for 'probationary tenants' save the requirements that the threshold standards have been met and a practising certificate has been obtained
39. At the conclusion of each annual round of recruitment the Pupillage Committee, together with the Equality and Diversity Committee, will review the available information to assess to what extent we have achieved and to what extent we can improve: wide and fair access to training pathways; removing barriers to entry for those who are currently under-represented within the Bar
40. Further at the end of each 12-month pupillage the Pupillage Committee, together with the Equality and Diversity Committee, will review the available information to assess to what extent we have achieved and to what extent we can improve: support for pupils to complete their education and training and to achieve the best outcome that they are capable of; support pupils to progress into the profession, the workplace or further study.
41. The above reviews will directly contribute to an equality action plan for the next cycle of recruitment and 12-month pupillage in accordance with Chambers Equality and Diversity Policy
42. The Pupillage Committee will have responsibility for liaising directly with the Equality and Diversity Committee to ensure these policies are enforced for both pupils and probationary tenants throughout their time in Chambers
43. During the second six months of pupillage and any period of probationary tenancy all work will be distributed amongst pupil in accordance with the Equality and Diversity Policy

Section 4 - Pupil funding

44. Pupils will receive guaranteed income and earnings as set by Chambers. They will be no less than the levels set by the BSB in accordance with the National Living Wage Foundations hourly rate recommendations for London.
45. The guaranteed income and earnings will be reviewed annually
46. The guaranteed income for the 1st six months of pupillage will be paid at the beginning of each month. Following transition into 2nd six the guaranteed earnings will be paid at the end of each month
47. In the practising period of pupillage, the monthly minimum amount will be made up by payments from the PTO and earnings received from practising as a pupil barrister
48. Pupils will be reimbursed for travel costs for the portion of travel outside zone 6 where journeys to court begin within zone 6 but finish outside zone 6
49. Any payment received for a noting brief completed in the non-practising period of pupillage will not count against guaranteed income and will not be subject to clerks fees
50. Payment of fees for any secondment constitutes payment for the purposes of guaranteed earnings

Section 5 - Curriculum and assessment strategy

51. The Curriculum and Assessment Strategy is to ensure each pupil meets the threshold standard in each of the following competencies: legal knowledge, skills and attributes, advocacy, professional standards, values, characteristics and behaviour, working with others, personal practice management

52. The Curriculum and Assessment Strategy is to ensure that each pupil achieves the threshold standards of the core competencies of the Professional Statement during the course of their 12 months of pupillage
53. Separate to this specific strategy Chambers will ensure that all pupils have sufficient time and resources to fully prepare for and attend the compulsory courses they are required to attend during pupillage.

Section 6 – mandatory training

54. All pupils must complete the required Advocacy course organised by their Inn of Court prior to the start of second 6. Any pupil who started their Bar Training from 2020 onwards or took a Bar Transfer test after 2021 will also need to take and pass the centralised Ethics examination.
55. If a pupil fails to pass the Ethics examination before the end of 12 months pupillage then they will not be invited to apply for tenancy and any contract with Chambers will immediately end at the end of the 12 months on pupillage. Chambers will not extend pupillage in order that this exam be passed and will not support any application for a full practising certificate for candidate who fails to pass the exam in that time.
56. The exam can be taken any number of times until it is passed. In the event that the pupil fails to pass on the first 2 attempts, the pupil must fund any retest themselves.
57. Chambers will reimburse any travel costs incurred in travelling to and from the testing centre outside of London if there is good reason a testing centre outside of London needs to be used.

Section 7 - Training programme

58. To ensure that the Curriculum and Assessment Strategy is met each pupil must be given the following learning opportunities: monitoring their pupil supervisor; interactions with the clerks; interactions with solicitors; observation in Court; in-house training course; practising drafting; completing work for the pupil supervisor and other barristers in Chambers; practising as a pupil
59. For all work completed for the supervisor or any other member of Chambers written feedback must be provided on the standard written feedback form
60. This feedback must be fair, clear and constructive in order to ensure that the pupil learns from the exercise
61. The pupil must thereafter complete self-reflection of that work to record what they have learnt from the experience and then provide the record to the records officer. They must also separately log their learning progress on their training record
62. All feedback provided must be in compliance with Chambers Equality and Diversity Policy. The Pupillage Committee will review feedback forms annually at random to ensure this is the case
63. Supervisors must ensure that the individual training they provide to pupils is tailored to achieve the threshold standards for the competencies detailed in the training record in accordance with the Curriculum and Assessment Strategy
64. Supervisors must ensure they hold an appraisal meeting with their pupil every 2 months to ensure their training record is being completed as fully and accurately as possible through pupillage in accordance with the Curriculum and Assessment Strategy. At the appraisal meeting the supervisor must ensure: the pupil is demonstrably moving towards achieving the threshold standard; if not identify how the learning strategy can be amended to ensure that the pupil is demonstrably moving towards the threshold standard; in all circumstances identify to the pupil areas that need to be addressed to continue to achieve the threshold standard

65. Supplementary to the training provided directly by supervisors, Chambers also operates an in-house advocacy and ethics course. The Pupillage Committee has overall responsibility for organisation and management of Chambers in house advocacy training

66. Training sessions will ordinarily take place every 2 weeks during the first six months of pupillage. These sessions will take place outside of ordinary working hours. Pupils will apply this core barrister's duty in every case except where it conflicts with their duty to the court in the administration of justice
67. A record will be made to document the achievement of these objectives and feedback given during the training.
68. There may also be opportunities, subject to availability, for pupils to spend periods of time seconded to other organisations during their 12 months. Chambers will ensure that periods on secondment will be consistent with the aim of ensuring the threshold standard.
69. Pupils in second 6 should apply to become graded on the CPS advocates panel as soon as is practicable.

Section 8 – Supervisors

In the event the supervisor has no professional commitments or cannot undertake the full-time supervision of the pupil for whatever reason the pupil supervisor is required to ensure that the pupil's training is continued with another member of Chambers. 96. Pupils must be provided with a copy of Chambers Training Record Sheet. Pupils must ensure that they are familiar with the competencies set out in that record sheet and that these must be achieved to the threshold standard within the 12 months of pupillage. It is the pupil's responsibility to ensure they accurately document on that record sheet all learning experiences relevant to each of the necessary competencies in order to demonstrate that they have achieved the threshold standard
97. Pupils must be given an electronic copy of Chambers feedback sheet. It is the responsibility of each pupil to complete the self-reflection portion of the feedback sheet and then submit the record form to the records officer to be retained in the pupil's file
98. No later than their induction pupils must be informed which member of Chambers will supervise the first 4 months of their pupillage

The Pupillage Committee must also review the pupils hearing record sheet and submitted feedback forms
106. The review panel must communicate its decision to the supervisor and the pupil within 48 hours of the representations being received. Section 11 – Flexible working

108. Chambers ordinary working hours are 8am to 6pm Monday to Friday. Members of Chambers frequently have to work outside of these hours consistent with their obligations under the Code of Conduct; pupils should expect to have to do the same. In addition, during the 2nd six months of pupillages pupils will be required to attend Court hearings on Saturdays and Bank Holidays on a rota basis. 113. As a Chambers whose members practice predominantly in the field of criminal law it is inevitable that the majority of training will take place at various court centres either with the supervisor or a delegated deputy where the supervisor is not available
114. The Pupillage Committee will provide a separate advocacy and procedural training programme that will generally involve sessions approximately every 2 weeks with papers to be delivered electronically but sessions to take place in person within

Chambers ordinarily outside of normal working hours. These sessions have a fluid timetable to cater for the availability and convenience of both the barristers delivering the training and the pupils undertaking it. Each session is fixed on an individual basis rather than to a pre-ordained timetable

115. Chambers encourages the use of remote working and technology in so far as that remains consistent with the overall training strategy that pupils meet the threshold standard within 12 months

116. Technological support will be provided to each pupil within the means available to Chambers. Chambers does not have the available means to provide each pupil with a laptop computer. Each pupil will have an Outlook account giving access to their emails and diary set up for them as well as a CJSM email account. The use of Outlook ensures pupils have remote access to these systems. Pupils will need to register themselves for access to the Court based CJU wifi system, however, this is free of charge. Pupils will be given access to Chambers legal database subscription which includes access to the relevant practitioner texts each pupil will require to satisfy the threshold standard. Should Chambers amend its subscriptions the pupillage committee will review this policy to ensure that the facilities available remain sufficient to satisfy the threshold standard

117. Should a pupil be identified as requiring a greater flexibility in the way in which their training is delivered for their individual circumstances the Pupillage Committee will actively work with them to identify ways to ensure greater flexibility in training that remain consistent with the ultimate objective of ensuring the pupil meets the threshold standard

118. Chambers will, as part of its induction process to Chambers, invite pupils to identify any relevant personal characteristics or other issues that may require a more flexible approach to training to be considered

119. The Pupillage Committee will annually review both its flexible working policy and any particular initiatives to try achieve flexible working over the previous year to assess where there have been successes and where improvements are required
120. Upon application, Chambers may defer the commencement of pupillage of prospective pupils who become pregnant prior to the commencement of pupillage for a period of up to 12 months.
121. Prospective pupils with existing childcare commitments may discuss with the Pupillage Committee how their working hours during pupillage can accommodate such commitments and should be advised of their entitlement to flexible working hours in accordance with this policy.
122. Pupils who become pregnant during pupillage may defer completion of the remainder of pupillage, subject to the requirements of Part V of the Bar Training Regulations (except with the written permission of the Bar Standards Board: (i) the non-practising period of pupillage must be undertaken for a continuous period of six months (regulation 31); and (ii) the practising period of pupillage must commence within 12 months of completion of the non-practising period and be completed within an overall period of 9 months (regulation 32).
123. In the event that an exemption from the Bar Training Regulations is required, the pupil, with the assistance of the pupil's supervisor, shall be responsible for obtaining written permission from the Bar Standards Board.
124. Such a deferral shall not affect the overall pupillage award which shall be paid monthly during the period in which the pupil recommences pupillage. In the event of a rise in the pupillage award following deferral the pupil shall be paid at the increased rate.

125. In the event of deferral and during the pupil's 'break' period, the pupil's supervisor shall be their point of contact with Chambers.
126. Chambers shall accommodate pupils' requests for flexible working hours in order to allow for childcare commitments. Such working hours should be discussed with the pupil's supervisor in order to ensure that the pupil is able to complete the work that is required of him or her.
127. The need to work flexible hours for this reason should not, as far as possible, affect the allocation of court work during the practising period of pupillage. Pupils should however be aware of the demands of the court schedule and the necessity for evening and last-minute briefs and should arrange childcare with this in mind wherever possible.
128. Pupils should be assured that any need to work flexible hours for reasons of childcare will not in any way affect their prospects of being recruited as a tenant pursuant to the Chambers' policy on recruitment of tenants from pupils.

Section 12 – applications for tenancy

129. Chambers' policy for the selection of tenants from pupils seeks to ensure that all applications are considered on an equal and non-discriminatory basis.
130. Applications for tenancy are invited from all pupils nearing completion of pupillage
131. Chambers' requires applicants to notify the Tenancy Committee a calendar month before the end of pupillage of their wish to apply for tenancy and at the same

time to provide to the Secretary of the Tenancy Committee a copy of their curriculum vitae along with any unsolicited references or testimonials that the applicant wishes to be considered by the Tenancy Committee. Any offer of tenancy is subject to obtaining a full practising certificate.

132. All members of Chambers and Chambers' Senior Clerk will then be contacted by email in order to invite their observations in respect of any or all of the applicants. Any observations submitted by any member of Chambers or by Chambers' Senior Clerk will be considered by the Tenancy Committee.

133. Any members of Chambers who have acted in the capacity of Pupil Supervisor will be requested to provide detailed observations to the Tenancy Committee.

134. The Tenancy Committee with the assistance of the clerks room will identify a small number of Chambers's solicitors from whom to invite references. Applicants will not contact Chambers's solicitors directly themselves for such references.

135. The above feedback will be collated and considered by the Tenancy Committee. Where feedback and references indicate that all candidates in a given year are of an exceptionally high standard the Tenancy Committee may agree that no further consideration (by way of interview etc) is required for any applicant since further assessment would be reasonably expected to simply duplicate the information before the committee.

136. In reaching such a conclusion Tenancy Committee will assess the applicants in respect of their legal analysis, advocacy, interpersonal and communication skills, and their motivation or determination to succeed, having regard to the fixed criteria set out below.

137. Where however the Tenancy Committee concludes that any candidate in the current year is to be the subject of further consideration by the Tenancy Committee

(by interview or written exercise etc) then that further enquiry shall be made of all candidates.

138. If such further enquiry is to be made of all applicants then the tenancy assessment will proceed to a written exercise and an advocacy exercise followed by questions dealing with professional conduct and ethics. A date will be set for the advocacy exercise and the applicants notified of that date and the consequent stage dates ahead of that exercise.

139. Instructions for the advocacy exercise will be provided to all applicants 72 hours in advance of the proposed assessment date and all applicants will be seen in alphabetical order (or in such convenient order as the Committee shall determine where there is a practical need to depart from alphabetical order). Instructions for a written exercise will be given to the candidate 14 days before the date of the advocacy assessment. It must be completed and emailed to the Secretary to the Tenancy Committee 7 days before the date of the assessment. The written document will be limited to a prescribed number of words.

140. All applicants' performance will be assessed by reference to Chambers' fixed selection criteria. The current criteria are:

141. Written exercise

- a. The candidate should demonstrate an ability to identify and to analyse problems succinctly.
- b. The candidate should identify legal issues and support their argument, where appropriate, by reference to relevant authority.

142. Advocacy skills

- a. Length of presentation – The Committee will expect the presentation to take no longer than 15 minutes and will mark highly for conciseness, clarity and brevity.
- b. Structure – The Committee will expect the presentation to be well crafted and have a logical structure where each argument presented leads naturally to the next, although it is understood that some aspects of the presentation will involve discrete points.
- c. Presentation – The Committee will take account of the rigors involved in presenting argument in front of colleagues but will mark highly for a confident, fluent and creative presentation.
- d. Legal content – The Committee will expect the presentation to address ALL relevant matters of law accurately. If applicable, knowledge of recent legal decisions and legal decisions not readily found in Archbold or Blackstone will be marked highly. However, unnecessary reference to authorities may be marked down by the Committee.
- e. Persuasiveness – The committee expects the presentation to be persuasive both in terms of its content and the manner in which the candidate articulates arguments. The committee does not expect the presentation to be an exercise whereby scripted submissions are simply read out by the candidate. Such submissions are always to the detriment of fluency. Candidates may, however, benefit from the use of bullet points for reference during the presentation.

143. Interpersonal skills – applicants should be aware throughout their pupillage that a successful criminal barrister requires an ability to communicate effectively and courteously with all of those involved in the criminal justice system including clients, solicitors, Chambers’ clerks, court staff and other barristers. It is the practice of the Committee to look at such reviews as a whole rather than treating any individual response as determinative. In assessing the candidate’s performance at this second stage the Committee can have further regard to the applicant’s interpersonal skills as revealed by the whole of the feedback received.

144. Motivation/Determination to succeed – The Committee will mark highly if the reviews reveal consistent hard work and application during pupillage.
145. Where the Tenancy Committee has offered all applicants tenancy on the strength of the reviews then the collated reviews and a record of the decision to offer all applicants a tenancy will be retained for a minimum of two years. Where the Tenancy Committee has required a second stage assessment then the assessment of each applicant by each member of the Tenancy Committee will be recorded and retained for a minimum of two years.
146. All decisions in respect of applicants for tenancy will be made by the Tenancy Committee. No member of chambers shall have the right to veto any Applicant.
147. Applicants will be notified of the decision of the Tenancy Committee on the same day as the interview takes place, save where the Tenancy Committee requires more time to reach a decision, in which case the Tenancy Committee will notify the Applicant or Applicants when a decision is likely to be reached.
148. All members of the Tenancy Committee have received appropriate training in fair selection and recruitment procedures and have been instructed in respect of chambers' fixed selection criteria.
149. Chambers will not discriminate on the grounds of age, disability, sex, gender reassignment, race, religion or belief, sexual orientation, marriage and civil partnership and pregnancy and maternity.

Section 13 – Misconduct and Disciplinary Policy

150. This section must be read in conjunction with rC66 to rC69 of the Bar Code of Conduct. Under these regulations, if a complaint is one of serious misconduct which

there are reasonable grounds to believe has been committed by a member of the Bar, Chambers has a duty to report this to the BSB

151. Chambers is entitled to withdraw the pupillage prior to its commencement and to terminate the pupillage during the year with immediate effect at any time if:

- a. A pupil commits a serious breach of the BSB Handbook;
- b. A pupil is guilty of a serious or persistent breach of Chambers' policies, procedures or codes of conduct;
- c. A pupil is convicted of a criminal offence (other than an offence under any road traffic legislation in the UK or elsewhere for which a fine or non-custodial penalty is imposed);
- d. A pupil fails to meet the minimum attendance or other regulatory requirements of the BSB for commencing or completing the non-practising or practising periods of pupillage training;
- e. A pupil, during the practising period of pupillage, ceases to hold a valid practising certificate;
- f. A pupils actions or omissions (whether or not in the course of the pupillage) bring or are such as to risk bringing the name or reputation of Chambers or its members into disrepute or to prejudice the interest of Chambers;
- g. A pupils immigration status means they cease to be eligible to undertake or complete the pupillage.

152. Misconduct that can result in disciplinary action being taken against a pupil is (1) any breach of any of the requirements set out in Chambers policies (2) any breach of the written agreement between the pupil and Chambers (3) improper use of social media, including making any reference to any legal case in they the pupil, their

supervisor or any Members of Chambers is involved in (4) any disciplinary finding by the BSB

153. Any issue of misconduct (which do not fall under chambers definition of harassment) that are considered to be minor in nature by the pupil's supervisor should in the first instance be dealt with by the pupil supervisor by way of words of guidance. Such incidents must still be reported to the Pupillage Committee by the supervisor
154. Should the pupil supervisor consider that words of guidance are insufficient for the level of misconduct the matter can be referred to the Pupillage Committee who, subject to review of the conduct, may issue written guidance (provided the conduct does not fall under chambers definition of harassment)
155. If the conduct falls within Chambers definition of harassment that the misconduct will be dealt with through Chambers complaints procedure
156. Harassment is any form of unwanted conduct, which has the aim, or effect of diminishing a person's dignity or creating a humiliating or offensive environment for that person. The essence of all harassment is that it is unwelcome conduct, which is offensive to the recipient. The test is a subjective one and the fact that one person may be able to ignore or deal comfortably with certain behaviour does not mean that it is acceptable if directed at another.
157. Chambers prohibits any behaviour which causes offence or distress to another and which is perceived by that person as relating to or arising from his/her ethnicity, age, religion/belief, sex, sexual orientation, disability or gender reassignment which constitutes less favourable treatment on such grounds. Harassment may take a variety of forms and includes behaviour which is unwanted by the recipient and perceived as threatening or which causes a hostile or threatening working environment
158. The following are examples of behaviour, which may amount to harassment: physical assault, including sexual assault; demands for sexual favours in return for

career advancement; unnecessary physical contact; exclusion from social networks and activities; isolation; bullying; compromising suggestions or invitations; suggestive remarks or looks; display of offensive materials, including on computer screen; tasteless jokes or verbal abuse; offensive remarks or ridicule

159. Disciplinary and or remedial action (as defined at 'Formal Complaints Resolution (Harassment)' at paragraph 5) will be taken against any member or employee of chambers found to have harassed a colleague or other person in the conduct of their work.

160. Chambers is committed to providing a supportive environment in which to resolve problems of harassment and has put in place a number of options of resolving problems. A non-adversarial approach will be adopted.

161. When an incident of harassment occurs, the recipient should communicate their disapproval and objections immediately to the harasser, if they feel able to do so, and request the harasser to stop.

162. If the harasser does not stop or if the recipient is uncomfortable about addressing the harasser directly, he or she should bring their concerns to the attention of the Chambers Equality and Diversity Officer or member of the Management Committee who will provide advice or support as requested and will undertake any investigation necessary to resolve the matter, speedily and in confidence.

163. Where the person subject to harassment does not wish to pursue the informal resolution options or has exhausted such options, they may make a formal complaint which should be made to the Management Committee of Chambers. All such complaints will be promptly investigated.

164. A formal complaint should be made in writing. Within one week of the receipt of the complaint an investigation of the allegation will commence and will be completed within 14 days of commencement, unless there are good reasons for delay.

165. Investigations should be conducted in accordance with standards of natural justice. Where appropriate two members of chambers Management Committee will direct investigation. All parties to the complaint should be permitted to be accompanied by another member of chambers or pupil at any hearing
166. Where two members of the Management Committee are not available, then up to two members of chambers, not directly involved in the complaint, will undertake the investigation.
167. If the allegation of harassment is upheld, the individual against whom the finding is made can appeal to the Head of Chambers and the Management Committee in writing. The appeal hearing will be heard within 14 days of the notice of appeal being made, unless there are good reasons for delay which must be communicated to the individual concerned. The individual against whom the finding has been made has the right to be represented at any appeal hearing.
168. If the allegation of harassment is upheld at the conclusion of any appeal hearing, appropriate remedial actions will be taken by the Head of Chambers in conjunction with the Management Committee.
169. This may include any of the following: formal apology; counselling; written warning; change of work assignment; suspension or discharge of the pupil; referral to Professional Conduct Committee (PCC)
170. In the event of suspension or discharge of the pupil 48 hours notice will be given
171. In addition, to the sanction that may be imposed on a member or an employee by chambers as part of a complaint resolution, members of chambers who engage in harassment may be liable for damages in the event of a civil lawsuit or may face

further sanctions imposed by the Bar Council's Professional Conduct and Complaints Committee, or, in a very serious case, criminal sanctions.

172. The individual against whom the finding is made will be referred to the Bar Standards Board (if a member of the Bar), the Institute of Barristers Clerks (if an employee who has membership of the IBC) or the appropriate authority if he/she wishes to pursue the matter further.

Section 14 – Grievances

173. This section must be read in conjunction with rC66 to rC69 of the Bar Code of Conduct. Under these regulations, if a complaint is one of serious misconduct which there are reasonable grounds to believe has been committed by a member of the Bar, Chambers has a duty to report this to the BSB

174. Any member, employee, pupil or mini-pupil in chambers has the right to bring to the attention of an appropriate person any behaviour, which they consider to be contrary to the harassment policy, irrespective of whether they are the recipients of the harassment. A member or employee of chambers who witnesses behaviour, which they consider contravenes the harassment policy, should take immediate action to indicate that such behaviour is unacceptable as failure to do so could be interpreted as condoning such behaviour

175. Chambers recognise that a recipient of harassment may find it difficult to come forward with a complaint and they understand that recipients and alleged harassers may be particularly concerned about confidentiality and the effect that a complaint

may have on career advancement. To protect the interests of the complainant, the person complained against, and any others who may report or be witnesses to incidents of harassment, confidentiality will be maintained throughout any investigatory process to the extent that this is practical and appropriate under the circumstances. However, Chambers have a duty to ensure that harassment does not re-occur. All records of complaints, including notes to meetings, interviews, results of investigations and other relevant material will be kept confidential by Chambers except where disclosure is required for disciplinary or other remedial processes.

176. Chambers is committed to ensuring that no one who brings forward a harassment concern in good faith is subject to any form of reprisal. Any victimisation of a complainant, witness or anyone else involved in the investigation of a complaint will be viewed as a disciplinary matter. The raising of such a complaint will not have any adverse consequences for the complainant, particularly in relation to tenancy and promotion decisions.

177. Pupils are encouraged to discuss any grievances which they may have during their pupillage with their Pupil Supervisors.

178. In some cases, this may not be possible or appropriate and the pupil should then approach chambers Equality and Diversity Committee, member of the Management Committee or the Head of the Pupillage Committee. If resolution of the complaint is not possible, the pupil should set out the complaint in writing to the Head of Chambers for investigation

179. If a pupil perceives that their Pupil Supervisor has not resolved their concern satisfactorily then the matter should be raised with the Head of the Pupillage Committee. In the event that the Pupillage Committee is unable to assist then the matter will be referred to Chambers Equality and Diversity Committee and the Management Committee of Chambers.
180. If a matter is so referred, a meeting will be held, if a pupil requires it, between the pupil, Chambers Equality and Diversity Officer and two members of the Management Committee
181. In the case that there is still no satisfactory resolution a pupil may make a formal complaint to the Bar Council or seek confidential guidance from it
182. A confidential record of any concern raised by a pupil with the Pupillage Committee will be kept by the Pupillage Committee

Section 15 - Absence from training

183. Pupils are entitled to 20 working days holiday during pupillage. All holiday bookings must be made in writing with both the pupil supervisor and the clerks at least 14 days before the holiday is due to commence and must not be made such as to create a clash with pre-existing professional commitments. Pupils must not take more than 10 consecutive working days as holiday without prior permission of their pupil supervisor. Pupils should take 10 days in 1st six and 10 days in 2nd six

184. If you have to be absent from work for any reason you should inform your supervisor during the first six months of pupillage, your supervisor and the Senior Clerk (or in his absence the Deputy Senior Clerk) during second six the reason for your absence. If it is not possible for you to make personal contact, you should arrange for someone to do so for you before 9.30am on the day of absence. Thereafter, you should keep your supervisor (in first six); your supervisor and the Senior Clerk or Deputy Senior Clerk (in second six) informed on a daily basis, wherever possible
185. For periods of absence by reason of mental or physical incapacity of seven days or less you will be expected to sign a certificate yourself giving the reason for your absence. Guaranteed income and earnings will continue to be paid during any periods of absence due to illness where self-certification has been completed
186. If you have to be absent because of mental or physical incapacity for more than seven calendar days you must, on or before the eighth calendar day, give or arrange to be received by your supervisor, a medical certificate showing why you are absent. After that you must provide a certificate to cover any subsequent period of absence. Guaranteed income and earnings will continue to be paid during any periods of absence due to illness where medical notes are provided
187. Chambers reserves the right to treat repeated periods of absence of less than seven days as misconduct.
188. It is for Chambers and pupil supervisor to determine the impact of longer periods of leave (for example due to illness or bereavement) on the training programme and whether the period of pupillage should be extended to enable the pupil to meet the competences in the Professional Statement

189. If the pupillage is to be extended, Chambers must notify the BSB of the new date that the pupil will be completing pupillage by completing the specified form
190. Where pupillage is extended, the supervisor must set clear and measurable objectives as to what is expected of the pupil during the extended period
191. Pupils must apply to the BSB for dispensation if they need to take a substantial break from pupillage and extending the pupillage would not be appropriate in the circumstances
192. Maternity/paternity leave arrangements should follow the Chambers parental leave policy and individual parental leave arrangements should be discussed with the Chambers as soon as practicable

Section 16 – Pupil mentor scheme

193. Prior to commencement of pupillage each pupil will be assigned a pupil mentor
194. The pupil mentor will be a member of Chambers who took tenancy within the last 3 years
195. The role of the pupil mentor is not in any way to adopt any of the responsibilities of the pupil supervisor but to offer additional professional support and pastoral care to the pupil as and when required

196. Mentors will be appointed for the 12 month period of pupillage and will be chosen from a pool of suitably qualified volunteers

197. Pupil mentors must act in compliance with the policy at all times

Section 17 – probationary tenancy

198. Probationary tenancies will be administered by the Pupillage Committee

199. Probationary tenants will be appointed a supervisor who will act as a de facto pupillage supervisor would have done during the previous 3rd six pupillage system. The Pupillage Committee’s policy on pupil supervisors will apply equally to those supervising probationary tenants

200. Probationary tenants must ensure they obtain their own insurance cover from BMIF for legal services offered in self-employed practice
